**RESPONSE TO RESTRICTION REQUIREMENT,
AND PETITION FOR EXTENSION OF TIME**

Sir:

Applicants petition to extend the time for response to the November 19, 2003 Restriction Requirement to March 19, 2004. Please charge Deposit Account 50-1710 \$475.00 for payment of the extension fee. Any additional fee required, and any overpayments should also be charged to Deposit Account No. 50-1710.

In response to the Restriction Requirement of November 19, 2003, Applicants provisionally elect Group IV, Claims 32-34 and 37-39, drawn to an extension of hybrid network for detecting the neighboring vehicles, with traverse. Traversal is on the grounds that a search of the art for one group of claims will necessarily include a search of the art for the other group of claims. It is believed that the burden on the Examiner to examine all claims in a single application is less than the burden on the Applicants/public to prosecute/search more than one application/patent.
